CHRISTIAN COMMUNITY & AROUND THE WORLD

Thrive Faith Formation Tip - During this week, the global church commits to praying for resolutions to the growing problem of world hunger. The World Food Program (wfpusa.org) tells us that "up to 783 million people worldwide are facing chronic hunger. That means one in ten people are not consuming enough food to lead an active, healthy life." Each day of the coming week, pick a different country to pray for—asking that increased resources may be found, that food may be shared, and that all of God's children may flourish and thrive.

Kids Corner: Beatitude 5: Showing Mercy Like Jesus - Check out this week's kids' devotion at www.kidscorner.net. There is no better example of someone showing mercy than Jesus showing care to the people he healed and to a crowd of hungry people. We can thank him for the compassion he showed us on the cross and ask for his help to show others mercy each day. Check out all the great content at kidscorner.net, like the Bible Story Podcast Jesus Feeds 5000 People.

Hunger Is On the Rise, But Hope is Not Lost - World hunger is worsening at an unprecedented rate. An estimated 783 million people struggle with chronic hunger, with 40 million people facing famine. But hope is not lost. Today, World Hunger Sunday, through our gifts, we can help World Renew equip vulnerable communities with the training and tools they need to achieve food security. Together we can share Christ's hope with families in food crisis. Together we can help end global hunger! For more information, go to:
