CHRISTIAN COMMUNITY & AROUND THE WORLD

Florida Abortion Awareness Project-Did you know that over 100,000 children are killed by abortion each year in Canada? Do you want to end this injustice? Join the Canadian Centre for Bio-Ethical Reform this February to **change minds, save innocent lives, and minister to the wounded**. During the Florida Abortion Awareness Project, you will become equipped with cutting-edge pro-life apologetics, witness the effectiveness of abortion victim photography, and form lasting friendships with other pro-lifers. You will be changed and inspired, and the lives you touch will be too! WEEK 1: February 6 – 13, 2026 WEEK 2: February 13 – 20, 2026 (Reading Week)

Learn more and apply by November 8th at www.endthekilling.ca/florida/. Earlybird pricing ends October 18th. Accommodation, meals, and transportation are provided in Florida.

Dear Congregation: Thank you for stepping into God's mission through your generous support of Resonate! Through your church's giving to Resonate, your congregation has taken a step of faith into a bigger story to which God has called us as members of the global church. You have taken a step to share the gospel—and God is using your church's mission and generosity to bring transformation to lives, families, and communities all over the world! God's story is bigger than we could ever imagine, and we all have a part to play in this story. In a world marred by hunger, sickness, violence, grief, and despair, the gospel is good news. Your congregation is walking alongside Resonate missionaries, church planters, campus ministers, and other ministry leaders as they share the good news of the gospel that brings fullness, healing, peace, and hope! Thank you for joining people all over the world on their faith journeys. Through your partnership with Resonate, your church is not only a donor—you are a member of the global church who is responding to God's call to spread the gospel among peoples and nations!

Serving with you, Kevin DeRaaf, Director, Resonate Global Mission
