Wonderful Creation, from Lions to Leviathans - Check out the new kids' devotion at www.kidscorner.net. If you are like the author of Psalm 104, you have learned about many of the plants and animals that God created. But why did God make so many different environments, each with more plants and animals than we could ever imagine? Listen now at kidscorner.net and check out all the new content.

Groundwork: Understand: Jesus on the Road - On the road to Emmaus, two of Jesus' followers listened as their companion explained the Scriptures to them. As their understanding of Scripture grew, so did their faith. Join Groundwork as we study this story in Luke 24:13-35 and discuss how we too cultivate our faith yet today as we develop a greater understanding of God and his ways through Scripture. Listen now at GroundworkOnline.com and subscribe to Groundwork's weekly emails for future episodes.
